Welcome from the Principal:

Dear Parents and Students,

Welcome to St. Alphonsus School. We are pleased to have you as part of our school family - a family with a long and proud tradition of serving the students and parents of this community.

Building on the tradition of Christian formation and academic excellence, we have great expectations for the school. Each year, school goals are set and we expect to accomplish them by building a solid program, strong in both faith development and academics. It will take the commitment of the entire school community to be of service to each other and solid in our unity to achieve the best for the children.

Being a school of excellence is something of which to be proud. Please come and work with us as we continue to maintain a foundation of faith for our children. Be there in support and encouragement as we press forward in use of the latest technology. Help us as we challenge our children to always do their academic best. An exceptionally solid school never stops building and it never remains static. Help us build fellowship and friendship as we continue in the quest for the attainment of the ultimate goal - students who are challenged to do their best.

God has blessed St. Alphonsus School with many years of fine traditions and learning. Let us hope that these blessings become opportunities for us to share of ourselves in the love and service of our Lord and in the education of His children.

In Christ,
Cynthia Ryals, Ed.D.
Principal

Handbook Review/Purpose: PLEASE READ THIS HANDBOOK CAREFULLY

This handbook was written in order to create a safe, Christian environment for our children. It is included on the school website as a service to provide you with pertinent information on policies and procedures. **It is our contractual agreement for the time your child is in attendance at the school.** The Principal is the final recourse and reserves the right to revise this handbook with the approval of the Pastor and School Board. Parents will be given prompt notice of any changes to this handbook.

St. Alphonsus Catholic School is a parochial school within the Diocese of Baton Rouge and the State of Louisiana. Not only the school policies and procedures outlined in these pages, but also those set forth by the Diocese and the State are to be observed by all members of the school community.

Parents who seek a Catholic education for their child(ren) will enter into a contractual agreement with St. Alphonsus Catholic School. The parent of a student who accepts admission agrees to abide by school rules covering all areas of the student's development as stated in the Parent-Student Handbook and other communication from school officials. Parents are expected to cooperate in a positive manner with administrators, teachers, staff members and all members of the school community.

It is your responsibility to read this handbook and to be informed of its contents. It is also necessary that you take the time to discuss this handbook's provisions with your children and to help them understand the mission of the school and the rules and regulations that flow from that mission.

Once you have reviewed and discussed this handbook with your child, please sign the "Parent-Student Handbook Agreement Form" on the last page of the handbook and return it to the homeroom teacher with your child. In doing so, you indicate that you agree to observe all the rules and regulations of St. Alphonsus Catholic School. Remember, for future reference, your source to access this handbook is the school website at www.stalphonsusbr.org.

In Christ,

Cynthia Ryals, Ed.D.
Principal

MISSION STATEMENT

The Mission of St. Alphonsus Liguori Catholic School is to form students in the Catholic Faith spiritually, academically, physically, and culturally in an environment of academic excellence.

MOTTO

Forming Faith and Future.

VISION STATEMENT

St. Alphonsus Liguori Catholic School is committed to providing a positive, faith-filled environment for children to learn. Our comprehensive curriculum is designed to promote academic excellence and the spiritual growth of our students, coupled with an appreciation of how service to others makes the world a better place. We strive to expand their potential to become leaders.

PHILOSOPHY

Together, the parents, faculty, and church community of St. Alphonsus School facilitate the development of the whole child: spiritually, intellectually, physically, socially, and culturally. The school environment is intended to nourish a faith life that is rooted in the knowledge of Catholic doctrine, an appreciation for prayer, and a willingness to serve others. In this climate, each child is recognized and responded to as an individual with unique possibilities. Through a curriculum designed toward academic excellence, the faculty guides students to maximize their individual learning potential and to develop creative interest, thus celebrating the diversity of our students. In support of this endeavor, St. Alphonsus School pursues the role of educational leadership in today's changing world. It is hoped that through this educational process, we will be developing strong individuals who will become devoted citizens of the home, school, church, and civic community, prepared to go forth to give witness to a belief in Christ and to respond to the larger community in a spirit of peace and justice.

CORE VALUES

- We will *serve* God, family, and community by encouraging outreach for the needs of others.
- We strive for *excellence* in our academic endeavors by setting goals for the future and embracing challenges.
- We share our *Catholic Faith* by guiding and nurturing our students toward faith throughout their lifetime.

- We model *responsibility* by taking ownership of our actions and encouraging others to take Gospel valued actions.
- We show *respect* by honoring and loving all of God's creations.

ACCREDITATION AND ACCOUNTABILITY

St. Alphonsus Catholic School is a member of the National Catholic Education Association (NCEA) and is approved and accredited by the State of Louisiana. The school adheres to all policies contained in the Administrative Manual of the Diocese of Baton Rouge that is available for review at the school office.

The school's curriculum is prescribed by the Office of Education for the Diocese of Baton Rouge, and is in accordance with state regulations. The school abides by all regulations pertaining to the health and safety of our children. There are regular inspections for asbestos, health practices, and procedure drills for fire, weather, and crisis safety. The Asbestos Plan and other safety reports are available in the school's main office.

Admissions:

Non-discrimination Policy:

St. Alphonsus School is an accredited, co-educational elementary school for grades pre-kindergarten through grade eight. St. Alphonsus School admits students of any race, sex, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to the students at the school. They do not discriminate on the basis of race, sex, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic or other school administered programs.

Additionally, in compliance with Title IX of the Civil Rights Act of 1964, this school, in the Diocese of Baton Rouge, does not subject any person, on the basis of sex, exclusion from participation in, or deny the benefits of, or subject to discrimination any education program or activity, except as permitted under said Title IX.

Guidelines for Acceptance:

Parents, both Catholic and non-Catholic, are expected to demonstrate clearly their support of Catholic education. This support includes, but is not limited to:

- the identification of parents as financial contributors to their parish/church,
- the expectation that tuition will be paid in a timely manner,
- the commitment by the parents/guardians to support the requirement of service to the school,
- the participation of parents in their church community.

All students who are enrolled must follow the religion curriculum, live Christian values, participate in the liturgical life of the Church, and salute and recite the Pledge of Allegiance and stand for the National Anthem.

Acceptance Priorities:

St. Alphonsus Catholic School is committed to continuing a legacy of excellence in religious and academic education in a nurturing environment that fosters self-discipline. In considering students for admission to the school, young people who can benefit from and contribute to the religious and academic mission of the school are sought. The admission policy is designed to flow from the school's mission statement, to address student readiness, to provide for effective monitoring, to include minority outreach, and

to develop structures for attracting qualified students to the school. Parents who seek a Catholic education for their child(ren) will enter into a contractual agreement with St. Alphonsus Catholic School. The parent of a student who accepts admission agrees to abide by school rules covering all areas of the student's development as stated in the Parent-Student Handbook and other communication from school officials. Parents are expected to cooperate in a positive manner with administrators, teachers, staff members and all members of the school community.

The school principal serves as Admission Director and chair of the Admission Committee made up of the assistant principal, the school counselor, and teachers as needed for screening. This committee makes all admission decisions including students. The principal, as Admission Committee chairperson, makes admission reports to the School Board to provide updates on enrollment for the current school session as well as for the coming school year after registration. These reports inform the board about admission practices and ensure that the admission policy is applied as written. The Admission Committee offers admission only to those students who, in their judgment, can succeed in the curriculum designed for students at St. Alphonsus School. Candidates for kindergarten admission must successfully complete readiness testing administered by school personnel.

New Applicants:

Parents requesting admission to St. Alphonsus School for their children must complete an online application and attend a parent/student interview with a members of the Admissions Committee. The application must be complete before the interview is scheduled. Students will not be accepted until the interview is complete. St. Alphonsus Catholic School offers admission to qualified students regardless of race, gender, ethnicity or national origin. Required forms for application include

- **Original or notarized documents of the following: birth certificate, social security card, and immunization records/ health card. Parents will scan original documents and upload to FACTS while completing the Enrollment packet**
- Previous school academic records including the report cards from all prior schools of attendance, discipline record from school of transfer on school letterhead, absentee record if not included on the report cards.

Once your child is accepted, parents must complete an online Enrollment packet that includes:

- Payment of non-refundable registration fee
- Sacramental records (Baptism, Reconciliation, First Eucharist, and Confirmation documentation, if applicable)
- Legal documents as to custody of the child, court approved guardianship or tutorship, or court approved visitation rights, if applicable .
- All standardized test scores (national or state testing scores, including LEAP test results)

- Any other action the principal deems necessary to make a valid judgment as to the student's potential success at St. Alphonsus School.

Conditions for Continued Enrollment:

1. All new students are accepted on a probationary basis and remain as such for a full year. During the probation, the student's records are reviewed for academic success and disciplinary behaviors. Withdrawal of the child may be necessary if the school cannot meet the child's needs.
2. The education of a student is a partnership between the parents and the school. Just as the parent has the right to withdraw a child if desired, the school administration reserves the right to require the withdrawal of a student if the administration determines that the partnership is irretrievably broken. Failure to abide by the regulations and policies of the school handbook by either the student or his/her parent/guardian may result in the student's removal from the school.

Pre-Kindergarten Admissions:

A child must be three (3) years old on or before September 30th to be eligible for pre-kindergarten 3, and four (4) years old on or before September 30th to be eligible for pre-kindergarten 4. Every child in the 3 year old class must be **fully potty-trained and out of diapers and pull-ups. Your child must be able to communicate with an adult that he or she has to go to the restroom.**

- An occasional "accident" is understandable; however, if your child repeatedly has accidents, you will be called to come to school to change him/her.
- The issue of potty training can be stressful on a child and by forcing a child to become potty trained, permanent emotional damage could occur. Therefore, if within the first three weeks of school your child does not seem to be potty trained, we will ask that you remove your child from the program.

Kindergarten Admissions:

A child must be five (5) years old on or before September 30th to be eligible for kindergarten. Candidates for kindergarten admission must successfully complete readiness testing administered by school personnel.

Re-Registration:

All current students are considered eligible for continued enrollment unless their parents have otherwise been notified. Only when re-registration is complete, including payment of the re-registration fee, is the student placed on the next year's rolls. Current students are re-registered in December of each year through the following process.

- Payment of the non-refundable registration fee.
- Completion of an updated Enrollment packet online through the FACTS/Renweb Family Portal.

Admission Guidelines:

As prescribed by Diocesan policy, in those cases in which the number of applicants exceeds the number of positions available, priority for admission will be given in the following order:

- Students presently in attendance and their siblings whose parents actively support the school,
- Children of St. Alphonsus School personnel whose parents actively support the school,
- Children of registered St. Alphonsus parishioners who actively participate in parish life and financially support the church parish through the use of tithing envelopes or ACH debit.

- Children of parents registered in a Catholic church parish outside the school district who have the written consent of their pastor.
- Students of other religious affiliations whose parents agree to allow their children to participate fully in the school's religious education program, including attendance at Eucharistic celebrations and liturgical services, with the exception of actual reception of the sacraments.

INDIVIDUAL NEEDS

Diocesan schools are addressing Section 504, Title V. "Guidelines for Catholic Schools in the State of Louisiana" have been developed and disseminated to all Catholic schools in the state, and in-service training has been provided to all faculties in all schools in order to implement the guidelines. St. Alphonsus School has adopted the following Diocesan approved policy statement:

St. Alphonsus School attempts to meet the needs of students with diagnosed disabilities within our school by making minor adjustments and incorporating minor interventions in regular classroom activities. Major adjustments, including those that are detrimental to the rights of other students and those that require additional costs are considered beyond our ability and cannot be incorporated.

Parents must provide a copy of the child's education/psychological evaluation to the school, and the school will make reasonable, minor adjustments/interventions in regular classroom activities. Services/504/IEP evaluations that the student received in public, private, or parochial schools do not transfer automatically with the student. We do not have the auxiliary staff to provide oral testing. For examples of minor adjustments that we are able to provide, please contact the Guidance Counselor.

Reading Lab:

St. Alphonsus School has an established reading lab program. Students with reading difficulties can be screened for the program through a recommendation of a parent or a teacher. *The program requires an additional fee* and is taught by personnel certified in the Susan Barton Reading and Spelling Program.

Speech:

Special education services offered through the Central Community Schools System are scheduled through the administration after approval has been attained. With administrative approval, private speech pathologist will be allowed to work with students during the school day upon completion of the Diocesan Child Protection policies.

CHILD CUSTODY

It is the responsibility of the parent to provide a current, signed court order for child custody to keep on file with St. Alphonsus School. St. Alphonsus assumes no responsibility for compliance with a court order. The school abides by the Buckley Amendment with respects to the rights of non-custodial parents. In the absence of a court order to the contrary, St. Alphonsus will provide the non-custodial parent with access to the academic records and other school-related information regarding their child(ren). We appreciate your cooperation in resolving any family issues outside of the school setting.

TUITION, FEES AND PAYMENT GUIDELINES**Tuition:**

St. Alphonsus School's tuition, fees and registration costs are set each year by the School Board. Fees are communicated at the time of registration and are available on the school website: www.stalphonsusbr.org. Tuition and fees are charged to help cover the cost of operating St. Alphonsus Catholic School. The help of our parents, alumni, and St. Alphonsus Church parish with fundraising activities is also essential to meet the budgetary needs of the school, since tuition and fees only cover a percentage of our expenses. In January, the Tuition & Fee Schedule will be published providing all cost for the upcoming academic year. The amount is based on the cost of educating a student. Parents are financially responsible for books and school resources issued to their children and all damage done to the property of the school and others.

Parental Commitment to Church and School:

Catholic members of our St. Alphonsus School family should attend Mass every weekend and on Holy Days. All St. Alphonsus School families are expected to commit to volunteer time to different events throughout the school year (example: Festival of Two Rivers, Auction, Hornet Fun Run, Field Day, Grandparents' Day, etc.)

Registration Fee:

A registration fee, will be assessed to each student during the re-enrollment period for the academic year. The registration fee is non-refundable in accordance with the Diocese of Baton Rouge policy.

In an effort to maintain the fiscal operations of St. Alphonsus School the School Board has provided the following three (3) tuition & fee payment options:

- Option #1: Payment in full on or before May 15th each year.
- Option #2: Semi-Annual payments through electronic transfer (ACH) on May 15th & Nov 15th.

If a student's tuition account becomes 30 days past due:

An academic calendar is posted on the school's website, www.stalphonsusbr.org and will be attached to the first Kaleidoscope Connection of the school year. Please refer to the academic calendar. Note that the calendar is subject to change and includes contingency days for emergency situations.

SCHOOL HOURS

ARRIVAL

School hours are 8:10 AM - 3:30 PM. Students are not to arrive on campus before 7:45 AM unless they are enrolled in Before School Care. Students arriving before this time will be placed in Before School Care and parents will be billed for the service. **Students must be seated in assembly or in their classrooms (classroom assembly days) by 8:10 to be considered on time.**

Morning assembly begins at 8:10 AM in the Family Center and opens the school day with community prayer and announcements. Students will report directly to the classrooms on Mass days.

DISMISSAL

Students are to be picked up in carpool by **3:45 PM**. Students in the carpool line at 3:45 will be brought to the office. Students not picked up in the office by 4:00 PM will be sent to after care and charged a fee. After School Care supervises students until 6:00 PM. **Students will only be dismissed to cars with the proper hang tag displayed.** Parents are not allowed to pick up a student from the classroom. Students riding the bus will be dismissed to the buses and must follow all bus rules.

- **Bus Changes:** If it is a bus change, the request must state the reason for the change and detail the exact process for dismissal including fellow student name, if appropriate, bus # changes, and new drop off point. This request must have the principal's approval before the bus driver will accept the student on the bus.
- **Carpool Changes:** If it is a carpool change, written authorization sent with the child that morning should detail all information concerning the change. If the person picking up the child is not on the Emergency Contact List, the student will be sent to the office for pick up at which time a driver's license must be presented, a copy made for office records, and the child signed out on school forms before the child will be released. If an emergency occurs during the day, the written authorization can be faxed to the office. Phone calls will only be accepted in dire emergencies.

ATTENDANCE POLICIES

It is the responsibility of the parents to encourage students to establish a good school attendance record. **By state law**, a student must be present a minimum of **160** days to be eligible to receive credit for courses taken. **Excessive check outs from school or late arrivals to school are considered in this count.**

According to Bulletin 741, a student who is absent more than 16 days may not be promoted or may be required to attend summer remediation. This is at the discretion of the administration.

Extended personal illnesses need written documentation by a physician and extenuating circumstances need to be verified in writing. Approval by the principal is necessary to be considered as excused absences.

Students are expected to be present for exams. (If a student has plans to be absent during the time exams are administered, the parents must contact the school in writing with specific reason stated. The administration and teachers will determine when the exam(s) will be taken.) Exams will not be administered prior to the testing period. It is the responsibility of the student to see that work missed due to any absence is completed.

Absences:

When a student is absent from school, parents are asked to notify the school office by email (brichard@stalphonesusbr.org) or by phone (225-261-5299) before 8:30 AM to verify the absence. When a student returns to school he/she must present to the teacher a written excuse from a parent/physician. Acceptable excused absences include illness, medical appointments, death in the family, impassable roads, school sponsored activities, and emergencies, or at the discretion of administration. An excused absence still counts against the student's attendance record. Arrangements will be made with students who have extended excused absences. Work is not provided ahead of time to students who are out of school.

Unexcused absences included, but are not limited to, vacations, hunting trips, concerts, ballgames, dance or other competitions. **The school considers an unexcused absence or tardy as a serious disruption of the learning process.**

*****Homework requests for absences should be made no later than 8:30 AM. This allows our teachers time to gather the work.**

If a child is absent from school, he/she is not eligible to participate in any after-school activities on the day of the absence. Please refer to the Athletic Handbook for specific rules.

Vacations:

Students who are absent due to vacations will receive unexcused absences, unless approved by the administration. Please clear these absences with administration. Work may not be available ahead of time to students who will be out of school.

Tardiness/Early Check Outs:

Prompt arrival at school is expected of all students. By Diocesan policy, A student checked in between 8:10 - 8:40 AM is considered tardy. Students will be given a tardy slip upon their arrival. Students should report directly to the class that is scheduled at their time of arrival. They will visit lockers at their next designated locker time. Arrival after 8:40 AM is considered absent for a half day.

- Tardies and partial absences are counted against the child's attendance record. Tardiness and early checkouts jeopardize the quality of a student's school day.
- Parents will be contacted by the teacher and/or administration for chronic tardiness or early dismissals.

For every 5 unexcused tardies in a nine week period, the student will receive a half day unexcused absence.

Early dismissal will be granted for the same reasons that are allowed for excused absences. Please try to schedule doctor or dentist appointments after school hours. If a student must leave because of illness or other emergency, he/she must be signed out. If a student will be leaving school early, parents are asked to call the office or send a note that denotes the time of parent arrival.

- Early check outs are not counted as an absence or held against perfect attendance unless they exceed three (3) per school year.
- For student safety during normal dismissal, early check outs are not allowed after 3:00 P.M.
- Students who check out after 8:30 AM and before 2:45 PM are considered absent for a half day.

Carpool:

Parents who drop off their children by car are asked to follow the carpool line map, which means entrance is from Frenchtown Road from the Family Center back parking lot. **Carpool should NOT enter from the front of the school and church. All carpool lines will flow from the rear of the Family Center.**

In the morning, students are to unload in the designated area where school personnel provide supervision. Children should be ready to unload so that the line continues smoothly. Students are not to get out of the car with food and/or drink.

Parents will be provided with a carpool tag. The tag will be printed with the CHILD'S last name(s) where the duty person can see it. Parents are asked to remain in their cars while in line. Students are to remain in the assigned carpool holding areas and must be picked up through the carpool line. Parents are not allowed to pick up students from the buildings. **Students will only be dismissed to cars with the proper school issued hang tag displayed. If a carpool driver does not have a sign, then the student must be picked up in the office so that driver identification can be verified.** The children's safety is of utmost importance at this time. Please notify the school office if more carpool signs are needed.

BELL SCHEDULE

Students are dismissed according to the following schedule:

1st bell – 3:25 PM – Bus, Extended Care, Athletics, PK4

2nd bell – 3:30 Carpool dismissal bell

3rd bell – 3:32 PM - Carpool begins

BUS TRANSPORTATION

Bus transportation is administered through the Central Community School System. They are responsible for making decisions regarding eligible riders, and pick up and drop off stops. Requests for transportation go through the school office, where they are forwarded to the Central transportation office. Students who do not live in the Central school district may be denied transportation. Any student who fails to obey the bus safety rules and general behavior policies may jeopardize further use of the bus system and is subject to the school handbook discipline policies.

CELL PHONE/ELECTRONIC POLICY FOR STUDENTS

Students are allowed to have cell phones on campus as a safety measure extended to parents for use outside of school hours. **Cell phones are to remain in the book bag, in the off mode during school hours, 7:45 AM - 3:45 PM with no ringing, alerting, texting, answering of calls or email, playing of games, posting to social media or taking pictures/videos.** Cell phones may only be used on campus outside of school hours with adult permission. Abuse of this policy will result in conduct points being deducted, confiscation of the phone, and parent pick up of the phone from the school office. Abuse may also result in the loss of cell phone privileges and/or the assigning of a detention. When phone service is necessary during the school day, students must come to the office for permission to use the school phone. Smart watches and Fitbits are not allowed.

COMMUNICATION WITH PARENTS

Kaleidoscope Connection:

The Kaleidoscope Connection is a weekly bulletin used to communicate important information to parents and guardians. It is emailed via Renweb. It is also available online (www.stalphonsusbr.org) each Thursday after 3:30 PM , as well as being posted on Parents Web under newsletter, resource documents. Most information, including the cafeteria menu and calendar can be accessed on the school website. Information included in this bulletin must be approved by the principal and be submitted by 10:00 AM Wednesday mornings. The custodial parent receives this information unless other arrangements have been made. Families without Internet access should contact the school for paper copies of such information.

School Telephone / Email:

School contact numbers are: Phone 225-261-5299, FAX 225-261-2795
School web address: www.stalphonsusbr.org
Employee emails are listed on the web site.

Please allow teachers 24 hours to respond excluding weekends and holidays.

Thursday Envelope:

Graded papers or grade sheets are sent home every Thursday in K – 5th grades and parents are to sign and return by Monday of the next week. Teachers in grades 6th-8th will notify parents of the graded work/test policy. Each student has the responsibility to return papers signed. **Parents, please cooperate with this responsibility as this will result in points deducted from you child's conduct grade.** Comments to teachers are welcomed at this time. The custodial parent receives this information unless other arrangements have been made.

School Facebook/Grade Level Facebook Pages/Social Media:

St. Alphonsus School sponsors a school Facebook page. This page is utilized to update parents on upcoming events or share news about the school. **Class Facebook pages should be open to all members of a class and be used only for class questions and updates.** Please remember that Facebook and other forms of social media are not an effective means of school communication and should not be utilized to discuss school matters. It is not a tool to solicit opinions. School concerns should be resolved by contacting the teacher.

School Broadcast System/RenWeb Email:

School Reach Messaging Center and email will be a major format for communication of general and emergency information. Each family must keep their contact information complete and updated with the school office to insure that primary and emergency numbers as well as emails are accurate.

CONFIDENTIALITY

All school records are confidential and are released only to authorized persons upon written request. Records may also be viewed by the child's teacher and school administrative staff. Information entrusted to teachers or staff is kept confidential so long as no one's life, health, or safety is at stake. Parents will be notified of teacher concerns.

DISCIPLINE

Discipline Philosophy:

It is the philosophy of this school that every student has the right to receive an education in a climate conducive to learning. Each student is entitled to a safe and orderly learning atmosphere, both physical and emotional, and to a firm, fair treatment in relation to school life. The school and the home must share the responsibility in providing an environment for educational growth. By following the rules and guidelines, all students will have the opportunity to achieve their fullest potential. Unacceptable student conduct distracts from the learning process. Since good behavior is necessary before an instructional program can be fully effective, an organized system must be implemented to enforce discipline. A school wide responsibility system of discipline, grounded in respect for the dignity for all, is used at St. Alphonsus School. The program is based on a 100 point grading system. It serves as a supplement to classroom rules and procedures and conveys the expectation that academic performance is a top priority.

Discipline Action:

Disciplinary action taken to deal with misbehavior depends on the severity of the offense. Each student will receive a conduct grade of 100 in a responsibility folder at the beginning of each week. Depending on the inappropriate behavior, points will be deducted from the student's responsibility folder from the beginning grade of 100. If a student receives a conduct grade of D or F during the week, he or she will be given a referral through RenWeb/FACTS and parents will be notified via email as well as a paper copy to be signed by the student and the parent. The referral will need to be returned to the homeroom teacher the following day. Referrals (D or F in conduct) will result in an automatic detention.

- 3.) Detention may be held after school, recess, lunch or during student breaks. Parents will be notified of the type of detention. Any detention not attended requires a doctor's written excuse and the suspension will be rescheduled.

Suspensions:

Suspensions can be in or out of school at the discretion of the administration. Three detentions will result in a suspension.

NOTE:

- 1.) A suspended student will be required to make up missed work, but will receive a grade no higher than an "80%" for all class work, tests, quizzes missed during the time of suspension.

- 2.) If a student qualifies for a 3rd suspension, he/she may be asked to withdraw from school or be expelled.
- 3.) Any suspension not attended requires a doctor's written excuse and the suspension will be rescheduled.

Out of School Suspension

It may be necessary to require that a student remain out of school for a given number of days that will be determined by the seriousness of the incident that led to the suspension. The parent is to accompany the student to school in order to readmit him / her following an out of school suspension.

Probation

All new students are on a general probation for the entire school year. It may be necessary for new and current students to be placed on disciplinary probation status as a result of behavior or suspensions. Any probationary status will result in a review of the student's progress or lack of progress to determine eligibility to return to St Alphonsus School.

Search and Seizure

The school/parish is co-tenant of lockers and desks and reserves the right to search them at any time without notice. Two (2) or more school officials may search students(s), his/her belongings (including, but not limited to, locker, handbag, briefcase, book bag) if the administrator has suspicion that contraband, illegal substances or objects or stolen property are being concealed or that a violation of a school rule related to the maintenance of discipline in the school has been committed. Strip searches shall not be conducted.

Expulsion:

Three suspensions make a student liable for expulsion. For a very serious reason, a student may be expelled after a single violation.

Harmful behavior:

This school commits itself to handling student behavior that is harmful, threatening, or implicates harm to another. Diocesan policy is followed and when necessary, local law enforcement officers are called.

Bullying/Harassment:

Bullying is repeated harassment and targeting of another person or group of persons with the intent to cause emotional, physical, or psychological harm. Attacks may occur face to face, publicly or privately, or through the use of technology and social media (i.e., including but not limited to text messaging, emailing, Facebook, or any form of social media, etc).

Harassment is defined as unwelcome, offensive, on-going conduct, whether physical or verbal, by a knowing or willing participant that is directed toward another person or group with the intent to cause harm, including anxiety or emotional stress.

Hazing is a form of harassment. Hazing is defined as any intentional, knowing or reckless act that induces pain, embarrassment, humiliation, deprivation of rights or that creates physical or mental discomfort. It is directed against a student for the purposes of being initiated into, affiliated with, holding office in, or maintaining membership in any organization, club, and athletic team sponsored or supported by the school.

If any form of bullying/hazing/harassment takes place off campus by a St. Alphonsus School student and the effects of this bullying/hazing/harassment are brought to our campus, the school reserves the right to take action.

Disciplinary Probation:

If a student is placed on disciplinary probation as a result of serious misbehavior or number of detentions or suspensions, the probationary status will result in a review of the student's progress or lack of progress at the end of the probationary period. The result of the review is to determine eligibility for continued attendance at St. Alphonsus School for the current year or acceptance of student to St. Alphonsus School for the following school year.

Academic Honesty:

Academic honesty is expected of all students. Students who plagiarize, cheat, give/receive answers, etc. will face disciplinary and academic consequences. This could include a reduction in points, failing grade, detention, suspension, and/or expulsion. A student athlete or student involved in extra-curricular activities may not be allowed to participate in sports/extra-curricular activities.

Off Campus Behavior Policy:

The student is a St. Alphonsus student at all times. A student who engages in conduct, whether inside or outside the school, that is detrimental to the reputation of the school, may be disciplined by school officials. Students must conduct themselves both on and off campus in a manner consistent with the beliefs of our Catholic faith and with the mission, philosophy and policies of St. Alphonsus Catholic School as set forth in the Parent-Student Handbook. Violations of civil or criminal law or other conduct that causes discredit to St. Alphonsus Catholic School or that demonstrates a disregard for the beliefs of our Roman Catholic Church and the policies of St. Alphonsus Catholic School are considered serious infractions and make a student subject to corrective action, including suspension or expulsion. Decisions concerning consequences for this type of misconduct will be made by the administration in consultation with the Pastor. See the Acceptable Use Policy #14 on page 38.

Diocesan Substance Abuse Policy:

Schools are required to include this Diocesan Substance Abuse Policy in the school's handbook of policies and it must be adhered to.

Aware of the ever-present danger of the illegal use of chemicals/alcohol by students, the school strives to provide preventative education and a drug-free climate on campus and at all school related functions. The use of all chemicals, including alcohol, tobacco and tobacco products is prohibited.

Tobacco and Smokeless Tobacco/Vaping Products: If a student is found to have in his or her possession any tobacco or vaping product on school grounds or at any school related function, appropriate action will be taken by the administration. Appropriate action may include, but is not limited to suspension. Any tobacco/vaping product found in the student's possession shall be confiscated.

Alcoholic Beverages: If a student is found to be in possession of, or under the influence of alcohol on school grounds or at any school related function, the alcohol will be confiscated and the parent/guardian will be called. Appropriate action will be taken by the administration. Appropriate action may include, but is not limited to suspension or expulsion.

Prescription or Over-the Counter Drugs: If a student is found to be in possession of, to have provided or sold, a prescription or over the counter drug to another person on school grounds or at any school related function, the item will be confiscated and appropriate action will be taken by the administration. Appropriate action may include, but is not limited to suspension or expulsion.

Illegal Drugs: An illegal drug is any drug, the possession of which is prohibited by federal, state or local law.

If a student is found to be in possession of, or under the influence of an illegal drug on school grounds or at any school related function, the parent/guardian and civil authorities will be notified immediately and appropriate action will be taken by the administration. Appropriate action will include, but is not limited to suspension or expulsion.

If a student is found to have provided or sold, an illegal drug to another person on school grounds or at any school related function, the parent/guardian and civil authorities will be notified immediately and the student will be expelled.

If a drug/alcohol treatment program and/or drug testing is mandated, it is to be financed by the parent/guardian.

Principal's Discretion on Discipline:

By no means is the above section on discipline considered all inclusive. Enforcement of these policies and interpretation of the school discipline code remains at the discretion of the administration. The principal is the final recourse in all disciplinary situations and may waive any disciplinary rule for just cause at his or her discretion.

DRESS CODE

Our school uniform identifies our students as members of the St. Alphonsus School community. Adherence to the dress code goes beyond the actual items of apparel to the proper wearing and respect for the school uniform. Students not in adherence to the dress code are given a uniform infraction. Violations of the dress code are to be immediately addressed. Dress code infractions can result in disciplinary referrals/point deductions from weekly conduct grade. If there is a special situation that prevents a student from wearing any part of the uniform, the student is to bring a parental note to the office explaining the situation and a specific date when the violation is to be rectified. Approval of the principal is necessary in these situations.

Students are to be clean, neat, modest, and well groomed. The uniform is to fit properly and be in good condition. Outer wear (sweatshirts, jackets, and such) are not to be tied around the waist. Shirts/blouses are to be tucked in and skirts and pants are to be worn at the waist. The uniform is not to be violated, damaged, or destroyed in any way. All clothing and articles are to be permanently labeled with student's name. All shirts, pants, shorts, skirts, and jumpers must be purchased from specified vendors only. Uniforms are not to be modified in any way. Only authorized school monogramming is acceptable on any clothing or items which display the name of the school. Other monogrammed items must be approved by the school administration before being worn on campus. The principal or her designee shall be the final interpreter of the dress code.

**Three dress code infractions within a nine weeks period will result in a detention.

EMERGENCY PROCEDURES

In case of an emergency, St. Alphonsus School follows the directives of the Catholic Schools Office. The school conducts emergency drills monthly. Emergency plans are in place for fire, tornados, shelter-in place and evacuations. At the given signal, all students and school personnel are to follow procedures for the specified emergency. All drills are conducted in silence for the safety of all students and personnel.

If school is called off due to dangerous weather: St. Alphonsus School, IN MOST CASES, will follow the same directive in regard to inclement weather as the Central Community Schools System. Therefore, adhere to announcements made via radio and TV for the Central schools and through the East Baton Rouge Parish Emergency Radio Stations: 530 AM, 1150 AM, or 102.5 FM. Parents should monitor these stations for up-to-date information. Parents should not try to phone the school as this could tie up lines and prevent Civil Defense or the Diocesan office from reaching us. If it is possible, parents would be notified via the parent telephone broadcast. The school will post on Facebook, the website, and send out parent communications via text message and email.

Evacuation:

In the event of an evacuation off campus, the school would notify the Diocesan Superintendent and the necessary civil authorities. First Student transportation from the Central Community Schools System would be requested. Students will be brought to safety as per the current emergency. Parents would be notified via the parent telephone broadcast, if possible. Parents would then pick up students at the safe evacuation area. **(Kristenwood and Oak Point are our designated off-campus evacuation points unless otherwise noted.)** Parents will be sent a text, email, and phone call as to which location for student pick up.

Shelter-In-Place:

In some situations, authorities may direct us to remain on the school grounds and shelter-in-place. The following steps would be taken:

- All students will be brought inside.
- Doors, windows, and blinds will be closed and, if necessary, cracks or openings will be taped if necessary.
- Students housed in the courtyard buildings will remain in their classrooms. Heating or cooling systems will be turned off.
 - Administration will be directed by authorities from the Catholic Schools Office and Emergency Management authorities.

Asbestos Management:

In compliance with the Asbestos Hazard Emergency Response Act of 1986, Operational Technologies of Baton Rouge inspect the schools in the Diocese of Baton Rouge. Our most recent self-inspection was conducted in July, 2018. A copy of this plan is in the office and available to the public.

Parent Telephone Broadcasts:

Unless otherwise directed, an attempt will be made via telephone or text to notify parents of an emergency. It is imperative that we have correct emergency numbers on file.

EXTRACURRICULAR ACTIVITIES

Extracurricular activities are provided to students to enhance their personal growth and well-being. **Participation in extracurricular activities is a privilege, not a right. Disciplinary actions may exclude a student from participation.** Students participating in extracurricular activities are held bound by all requirements and guidelines of each organization as well as the discipline plans of the school. Students and their siblings are not allowed to remain after school unsupervised. Parents are responsible for their child until the supervision of the teacher, moderator, or coach begins the activity. Any student who is present in the school building or on the grounds before supervision begins will be placed in the P.M. Extended Care Program and parents will be billed for the service. Infractions of this policy result in the student being removed from the activity. A supply and snack fee may be collected for some of the clubs.

FIELD TRIPS/MOBILE CLASSROOMS

Classes are permitted to participate in educationally sound field trips/mobile classrooms. Teachers will send home details of the trip and proper dress regulations. Students are permitted to attend only if parents complete, sign, and return the permission forms and bring in the necessary payment on time. No verbal permission is accepted. Faxed permission forms are accepted.

Participation in field trips/mobile classrooms is a privilege, not a right.

Students can be denied participation if they fail to meet academic and/or behavioral requirements. Field trip fees are non-refundable unless the event is cancelled by the school. Students whose permission forms or payments are not received on time may have these privileges revoked. The Parent / Student Handbook, specific rules, and trip directions are to be followed at all times. Offenders may not be allowed to participate in future trips. The school acknowledges that parents have the right to refuse to allow their child to participate in trips off campus. However, this is a student day; therefore, any student who opts out of participation or who has not obtained the proper permission must report to school.

At times, additional chaperones are needed when students leave campus. Adults must have completed the Child Protection process of the diocese to be chaperones. No parents are allowed on field trips without this certification. The number of chaperones allowed to attend field trips is at the discretion of the teacher.

Younger siblings or other children are not allowed on these trips. Proper dress codes must be followed and only acceptable food items may be brought. Chaperones must adhere to the rules designated for all while on the trip. If private vehicles are used, the owner must provide proof that the automobile has a minimum of \$100,000/300,000 insurance coverage.

GRADING SYSTEM/PROMOTION POLICY

Teachers employ various forms of assessments to measure student understanding of material taught. The following is the school wide percentage scale.

Academic Grading Code

A	100 - 93	Outstanding achievement
B	85 - 92	Above Average achievement
C	75 - 84	Average achievement
D	67 - 74	Below Average achievement
F	66 - below	Unsatisfactory achievement

On the report card, a letter grade will have an equivalent in quality points on a four-point scale.

A=4 B=3 C=2 D=1 F=0

Quality points for the nine week periods will be averaged to determine final marks.

Progress Reports:

Mid-quarter progress reports are issued to inform parents of the student's progress since the last report card. These reports will be emailed to the parents. Paper copies will not be sent home unless arrangements have been made through the office.

Report Cards:

Report cards are distributed to the students at the end of every quarter (9 weeks). Report card envelopes only are required to be signed and returned to the homeroom teacher within three days.

Parent / Teacher Conferences:

Regularly scheduled Parent / Teacher Conference Days are included on the school calendar. Notification is sent home with the first report card. A student who has a "D" or "F" average in a subject or conduct grade will have a conference scheduled.

Notification for the second conference is sent home in the 3rd quarter. A student who has a "D" or "F" average in a subject or is in danger of failing the year will have a conference scheduled.

Parents may schedule conferences at any time during the school year by contacting the teacher. Parents are asked to arrange conferences during school hours according to the individual teacher's schedule. Before or after school conferences are at the teacher's discretion. No teacher is expected to have an unscheduled conference. Conferences always need to start with the teacher. Please respect this protocol and allow the teacher to have the initial response to a question or situation before contacting the administration.

Promotion:

A student failing two (2) major subjects will automatically fail for the year. Failure of one major subject will result in conditional promotion provided the subject is remediated in an approved summer school or tutorial program approved by St. Alphonsus School administration.

Major subjects are:	<u>K – 3rd grades</u>	<u>4th – 8th grades</u>
	Religion	Religion
	Reading	Reading
	Math	Math
	English/Spelling	English /Spelling
		Science
		Social Studies

Students' grades must average to a full 1.0 without a 4th quarter failure in order to pass for the year. Students who fail the 4th quarter, fail the year in any subject, regardless of final average.

Quality points are assigned as follows: A = 4, B = 3, C = 2, D = 1, F = 0. To participate in graduation activities, 8th graders must pass all major subjects.

Eighth Grade Promotion:

Eighth grade students graduate in caps and gowns for which there is a fee. The ceremony includes Mass and presentation of diplomas. Students are to dress appropriately for the occasion. All financial obligations must be paid, responsibilities to the school (library books, sport uniforms, textbooks, etc.) must be cleared, and all subjects passed before a student receives his cap and gown and is given permission to participate in graduation activities. Guidelines for fees and the dress code will be sent out to parents.

Kindergarten Promotion:

The Kindergarten class has a fun day and picnic to celebrate their promotion. All financial obligations must be paid before a student is allowed to participate. Separate fees for Kindergarten promotion parties may be collected to cover the cost of supplies.

HOMEWORK POLICIES

Homework is important! It is an extension of the learning that takes place in school. Students in grades 1st – 8th are responsible for writing daily homework assignments in their assignment pad and for having completed homework in class on the due dates. All assignments are to be completed and turned in on time. Work must be neatly done. The amount of homework a student has depends upon his or her progress in school. Homework includes written and study work as well as Accelerated Reader reading and constitutes a portion of the students' grade. It is the student's responsibility for making up homework due to being absent or tardy. Sports or extracurricular activities do not excuse incompleteness of assignments. Each student is to have a book bag for transporting books, notebooks, and such. No books are to be taken home unless they are in a book bag / backpack for protection. **SEE ABSENCE POLICIES FOR HOMEWORK REQUESTS.

HOME AND SCHOOL ASSOCIATION

The purpose of Home and School is to promote communication, good will and cooperation among parents, faculty, administration, school board and the parish of St. Alphonsus. It also provides leadership and coordination of activities for the purpose of service, special functions, educational programs, and/or fund-raising. It exists solely for the benefit of the school and is structured in a way to best meet those needs.

All parents and guardians of the students of St. Alphonsus School are required to be members of this association. Dues are collected annually as part of registration fees. Parents are asked to participate in various activities.

LIBRARY POLICY

All SAS students have access to the library. Students in PK3 – 5th grade are on a fixed library schedule while students in 6th – 8th grade are on a flex schedule.

- PK3 – PK4 has library as an enhancement once per week. The librarian offers an interactive story time, they are encouraged to discuss the story and use discernment skills to decide possible outcomes in the story.
- Kindergarten has library once per week. The librarian offers an interactive story time, they are encouraged to discuss the story and use discernment skills to decide possible outcomes in the story.
 - Before Kindergarten students leave for Christmas break they will begin to check out books. Kindergarten is allowed to have one book checked out at a time. They will not be allowed to check out a new book until the previous book is returned.
- 1st – 5th grade also has a scheduled library enhancement once per week. During this time they may do a short library/literacy skills activity, quiet reading time, a read aloud done by the librarian, and/or check out books.
 - Students in 3rd – 5th grade are allowed to check out two books during their scheduled time. One book must be on their book level that is assessed through the STAR test taken each nine weeks. The second book can be a book that does not have to be on their reading level.
- 6th – 8th grade has a flex library schedule. The library is open to these students when there is not a scheduled class, during their break time, and during time collaborated between middle school teachers and the librarian. They may also check out two books when they visit the library.

Library Fees

At this time there are no overdue fees, students are expected to return their books in a timely manner. Overdue notices and current check out notices are sent home once per month, as the school year comes to a close notices will be sent home more frequently.

Students will not be permitted to check out books beginning two weeks before their last full day of school. They may utilize the public library, a bookseller, or their teacher's class library.

In the event that a book is damaged or lost, a fine will be posted to the parent's FACTS account. Parents always have the option of sending a **NEW** hardcover copy of the title listed on the notice in lieu of paying the library fine. Please note that final report cards will be held and/or school transcripts will not be sent to the student's chosen high school until all school fees/fines are satisfied.

At the beginning of May, overdue library book notices will be emailed to parents and the cost of the book will be charged to their FACTS account with a due date of the student's last full day of school. Refunds will not be issued. In the event a previously lost book is located the student may keep the copy as the book will be replaced with a new copy in the library. Lost or damaged book fees will be fined the current list price or purchase price of the title with an additional processing fee. The processing fee is incurred to offset the cost of labels, printer ink, plastic covers, etc. that goes along with the cataloging process.

LUNCH/CHILD NUTRITION PROGRAM

The school cafeteria staff provides nutritious, well-balanced meals daily. The cafeteria is on a computer system. Each child is issued an account number. This account is a pre-paid debit account, not a charge account, and all funds deposited in the account are debited for lunches as well as extra sales. Student account balances must be current to continue with purchase of any cafeteria meals or other items. Meals can be free or at a reduced price for families in financial need. Parents should apply for this program, through the cafeteria manager, at the beginning of the school year or when financial difficulties occur. The Child Nutrition Program of the Diocese of Baton Rouge regulates the fees, menus and serving portions. The cafeteria also provides breakfast for students in the Before School Program and a snack for those in the After School Program. Students in 3rd-8th grades are allowed choices. Extra juices, milk, lunch items, ice cream, etc. are available for an extra fee for students in certain grades. **No outside restaurant food, soft drinks are allowed in the cafeteria in the vendor's containers. No peanut products are allowed in the cafeteria.** Parents are encouraged to have lunch with their children. When you choose to do so, contact the cafeteria by 9:00 a.m. The cafeteria has been directed by the Child Nutrition Program of the Diocese of Baton Rouge to discontinue serving lunches to families who are delinquent in payment.

MEDICATION/HEALTH ISSUES

Students are not allowed to keep medicine with them during the school day. All medicines must be kept in the school office. Medicine is to be administered to the student in the presence of a staff member or teacher with written and signed instructions from a doctor and the parent. Medication must be in the original container or in the container from the pharmacist or doctor. The child's name must be clearly marked on the container. This procedure must also be followed for any over-the-counter medication prescribed by the doctor, such as cough syrup, Tylenol, etc.

Students should be free of fever, vomiting, diarrhea or other symptoms for 24 hours prior to returning to school. Students diagnosed with strep throat are to be on antibiotics for 24 hours before returning to school. Parents are notified in case of an injury or emergency at school.

Medications at School:

If a child must take medications at school, a parent should follow these rules:

- The medication must be brought to school by the parent or guardian in the container in which it was originally packaged. The label should have the name of the student, name of the medication, dosage, and the specific time it is to be given at school.

- The medicine must be accompanied by a medical permission form signed by the parent and by the student's physician with specific instructions for administering the medication.
- The student will bring the empty bottle home with him/her, and the parent will be responsible for returning the medicine for the next school day.
- To circumvent potential abuse, the medications will be kept in the school under lock and key in a secure, central location.
- Parents are to inform their child(ren) to report to the office at the appropriate time for medication.

Medications on Field Trips:

Medications normally administered at school may be administered by a teacher while on a field trip under the following conditions:

- The medication section of the field trip permission form must be completed and returned prior to the day of the field trip.
- A parent must deliver the medication in the original prescription container to the teacher in charge of the particular grade level involved on the day of the field trip.

Immunizations:

It is important for vaccinations to be current. Please contact your physician for further information regarding when vaccinations are given. It is mandatory that every child entering a Louisiana school for the first time receive a second dose of measles vaccine, using combined measles - mumps - rubella (MMR) vaccine, the Hepatitis B vaccine and the chickenpox vaccine.

Minimum requirements for first time students to St. Alphonsus School:

- 4 DPT and 3 Polio - the last of which must be given after the 4th birthday
- 2 MMR - the second dose between 4-6 years of age OR an out of state student must have the second MMR
- Hib vaccine before the 5th birthday.
- 3 Hepatitis B
- 1 chickenpox (varicella)

Head Lice (Pediculosis):

If lice/nits are found in a child's hair, a parent will be called, and the child must leave school immediately. Before returning to school, any student with head lice must:

- be satisfactorily treated as recommended by your family physician, or with an alternative lice treatment, such as a lice shampoo available at local pharmacies,
- be completely free of lice eggs (nits) in the hair before being readmitted to the classroom. Proof of treatment is required.

PARTIES/GIFT DELIVERIES/INVITATIONS

Parties and school sponsored holiday activities are arranged through the room mothers according to a specific schedule for all grades. Parents of students with birthdays may provide an individual treat for the class. Cakes and/or cookie cakes must be precut. The teacher will oversee the distribution of these treats. Students are not to exchange gifts at school.

The school will not accept delivered flower arrangements, balloon bouquets, gifts, etc. to students. Please do not have these delivered to the school.

Birthday party invitations may be passed out at school ONLY if the entire class or all of the students of one gender are invited (all boys or all girls) and if the distribution of these invitations causes no class disruption. Teachers must be notified before the day of distribution.

PRINCIPLE OF SUBSIDIARY

In keeping with the principles of subsidiary, problems should be solved at the lowest level whenever possible. Persons with concerns about a teacher should first attempt to address the concern with the teacher. Only after such attempts have failed, should administrators be contacted.

RELEASE OF SCHOOL RECORDS

All financial obligations must be cleared with the school, a release form signed by the parents in the school office, and a request for grades received by mail or FAX from the next school before school records are released. School records will not be released to parents.

RELIGIOUS EDUCATION

A fundamental premise in religious education is that parents are the primary educators of their children. St. Alphonsus School supports and assists parents in this endeavor. The core of education at this school is our Catholic faith. It is the reason the school exists.

Catholicity permeates the curriculum. We are seriously committed to incorporating religion into the daily lives of our students. The children not only learn the tenets and doctrines of their church, but also how to live those tenets and make them come alive with the love of Christ. We strive to nurture children in the teachings of the Catholic Church through scripture, music, prayer, service activities and meaningful liturgy. To achieve this goal, classes participate in age appropriate activities and grade level retreats. The school sponsors service projects and supports the Batahoula Mission in Nicaragua and the St. Vincent de Paul Food Bank. There are many opportunities to share blessings and to reach out to others in local and global ways.

Our students help prepare and participate in all school liturgies during the year as well as the Living Rosary, the Christmas Nativity, the Living Way of the Cross, and the May Crowning of Mary. Parents are always welcome to worship with us at these events.

First Reconciliation / First Eucharist:

Students in second grade are prepared for the reception of First Reconciliation and First Eucharist. A child is neither forced to receive the sacraments, nor prohibited from doing so once he/she has begun to show an understanding and appreciation of the basic values involved. Parents, in consultation with a member of the parish staff, decide when this realization occurs for an individual child. When a child is able to understand the basic concepts of our faith regarding sin and the difference between ordinary bread and the Eucharist, he/she is welcome to receive these sacraments.

Parents have a right and an obligation to participate in the formal preparation of their child. To help parents accept and accomplish this responsibility, parent seminars are offered for each of these sacraments and attendance is required. Children learn their habits of frequent reception from their families. Parents are asked to support their children by encouragement and example.

Catholic Human Sexuality and Morality:

Upon recommendation of the Office of Religious Education of the Diocese of Baton Rouge, instruction in Catholic Human Sexuality and Morality is part of the religion curriculum. Catholic young people need and have a right to know the positive values we hold as a faith community regarding God's gift of human sexuality. To help instill and support these values in our young people, William H. Sadlier, Inc. and the Archdiocese of St. Louis have developed a program used in 6th through 8th grades, God's Own Making: Catholic Values of Human Sexuality. This program respects the role of parents and focuses on the Catholic values that help to form the gift of our human sexuality. Weekly information is sent home to the parents in around April when the program is covered.

SCHOOL BOARD

The St. Alphonsus School Board is comprised of the pastor, principal, parish executive director and board members. They are appointed for a three-year term. Members are eligible to serve no more than two (2) consecutive terms. The board serves as an advisory unit to the pastor and principal. The board meets monthly from August - June. To be placed on the agenda, contact the president no later than one week before the meeting.

STUDENT FILES

Student files consist of academic testing, application forms, copy of the birth certificate, copy of the social security card and an emergency sheet. The parents must sign a release form in the school office before a student file is sent to a requesting school. Only the contents of this official file will be forwarded to a new school.

SURVEILLANCE CAMERAS

St. Alphonsus School recognizes that attempting to maintain the safety and security of students, staff, and visitors to our school is implemented with a multifaceted approach. To the extent that modern technology provides tools to maintain safety and security, the use of video surveillance cameras may be in place in the school and on school property. Cameras will not be permitted in areas where there is a reasonable expectation of privacy.

VISITORS TO CAMPUS

For the safety of our campus, all visitors must report directly to the school office to sign in and obtain a visitor's pass before entering any building on campus. Visitors to campus are not allowed to go directly to the classrooms.

St. Alphonsus Catholic School Technology Acceptable Use Policy

Statement on Technology

It is the mission of the Technology Departments at each of the schools within the Diocese of Baton Rouge to provide a range of technology services, tools and experiences to further opportunities for academic excellence, faith development, and leadership skills.

We will support, enhance and optimize the learning process for all of our students. Emerging technologies will influence the formation of foundational skills in students to aid them in reaching their potential in a constantly changing world. Technology must be implemented seamlessly, as everyday experiences and must promote higher student achievement and a deeper understanding of their Catholic faith.

This Acceptable Use Policy (AUP) contains standards that foster our mission and goals. The policy is reviewed yearly to reflect any new technology and to address issues identified in the previous year. Each year, all students and parents at a school within the Diocese of Baton Rouge must read and agree to abide by these standards. Any student who violates this policy or any applicable local, state, or federal laws is subject to disciplinary actions, a loss of technology privileges, and may face legal prosecution. The Diocese of Baton Rouge and administration of each school within the Dioceses of Baton Rouge reserves the right to amend any item in the AUP or any technology policy during the year. Parents and Students will be notified of any changes through normal methods of communication at each school.

Google Apps for Education

While attending St. Alphonsus School, each student in grades 4-8 has access to Google Apps for Education (GAFE). The Google apps "suite" includes word processing, spreadsheet, presentation, classroom, and other collaborative tools. Additionally, this suite of applications is available in "the cloud", which allows our students access to their

work, from any device, be it a smartphone, tablet, laptop, or desktop computer. Finally, a student's Google Apps login allows them access to our classroom Chromebooks.

In order to create a safe, effective way for students and staff to communicate with one another, St. Alphonsus School issues to each student in grades 4-8 a GAFE account under the domain @stalphonusbr.org. Students access their account using Gmail. St. Alphonsus is required by the Child Internet Protection Act (CIPA) to have measures in place which protect students from harmful materials. The email feature is disabled. Students will use their account for login purposes only, which provides access to apps and cloud storage. The email feature will only be allowed during email etiquette lessons and will be disabled at the completion of the activity.

Parents of students in grades 4-8 will need to read and sign the Google Apps for Education Acceptable Use Policy that will be sent in a separate document.

Violation of Policy

Users will be held accountable for their actions. Privileges will be lost if the Acceptable Use Policy is violated and disciplinary consequences may be imposed.

The administration reserves the right to impose disciplinary consequences with respect to any act or actions not specifically listed herein but which actions are determined by the administration to be illegal, immoral, unethical, criminal, a violation of any local, state or deferral law or regulation, and/or a violation of the goals, principles, or educational objectives or policies of St. Alphonsus Catholic School or The Diocese of Baton Rouge.

The decision of St. Alphonsus Catholic School regarding inappropriate use of the technology or telecommunication resources is final. Monetary reimbursement will be sought for damage necessitating repair or replacement of software and/or hardware equipment

It is the responsibility of the parent to read over the Telecommunications Acceptable Use Policy: Student Agreement with the student and ensure that the student understands the information outlined in the policy.

USE OF STUDENT INFORMATION/PICTURES

The school reserves the right to use student pictures in publications and on the school's website. Any parent who does not wish her or his child's picture used must notify the principal in writing prior to the beginning of the school year.
