COVID Policy Update

Please see the attached update to the COVID protocols sent by the Diocese of Baton Rouge. The CDC updated the latest policies on January 9th. Please read the guidelines carefully and do not send your child to school if he/she is symptomatic for COVID. Testing to return to school is required and test results must be submitted to the school before returning. If tests are not available, parents must contact the principal in advance to receive permission to return to school. Your help and support to maintain safety and keep our school open in service to our families is greatly appreciated.

Enrollment for the 2022-2023 School Year

Deadline approaching... Re-enrollment for currently enrolled students and new siblings is open now. **The deadline for re-registration is January 23, 2022.** In order to guarantee a spot for your child for the 2022-2023 school year, he/she must be re-registered by this date. The registration fee will increase to \$350.00 on January 14, 2022 and up to \$400 on January 24, 2022. If you have any questions concerning re-enrollment, please contact Mrs. Tammy Feduccia, tfeduccia@stalphonsusbr.org. Re-enrollment is available through the "Family Portal" on RenWeb or by clicking on this link: <https://SA-LA.client.renweb.com/pw/> Once on the Family Portal, select "Apply/Enroll," Application (for a new sibling) or Enrollment/Reenrollment for a returning student.

Stay home until test results are negative. Provide results to the school.

- **Virtual or Online Learning:** Students in quarantine or isolation may have the support of virtual or online learning, depending on the school’s policy.
- **Extra-Curricular Activities:** Because there is an increased risk of post-quarantine transmission associated with options to shorten quarantine, individuals who had close contact with infection may not participate in any activities with a higher risk of spreading the virus (i.e., extra-curricular or co-curricular activities, including sports teams, PE class, music instruction, field trips, etc.) or take part in any activity that cannot maintain a 6-foot physical distancing until 10 days from contact. After 10 days, students and staff members in quarantine may resume all activities provided by the school.

All schools activities, including field trips and overnight travel, can be held if current CDC and LDH guidelines are followed. Schools should post signs throughout campus indicating when face masking and physical distancing are in effect.

Note: CSAA and LHSAA schedules for the spring semester will remain in-tact with students playing under the guidelines above.

- **Face masks:** There is no universal masking required in schools at this time. Wearing a face mask continues to be optional in general for those not listed above as requiring masking to return to school. For individuals requiring a face mask, their masks must be well-fitted and worn with fidelity.
- **Physical Distancing:** Students need to maintain a distance of at least 3-feet apart and adhere to static seating assignments in classrooms. In common areas, including eating areas, all individuals should distance 6-feet apart as much as possible. Activities and classes that involve increased exhalation should continue to be held outdoors or in large, well-ventilated spaces, whenever possible. School buses may operate at 100% capacity if all passengers are masked, the windows are open, and assigned seating charts are utilized and enforced.
- **Visitors to Campus:** Non-essential visitors (i.e., volunteers, external groups, organizations, etc.) may not be allowed to visit campus unless required by law or by contract for services or considered essential. All visitors are required to wear masks and maintain 6-feet physical distancing from others.
- **Child Nutrition Program:** Breakfast, lunch, and after-school meals continue to be provided at no cost to all students during the 2021–2022 school year. Grab-n-go packaged meals such as cereal bars, pop tarts, muffins, fruit, juice, and milk will be available for breakfast. Students will be afforded a main dish and/or menu choices for lunch, which will be provided through the cafeteria serving line. Extra items may also be purchased through the student’s cafeteria account, which can be funded through www.myschoolbucks.com. After-school meals will be distributed to the program director at each site. Principals are to determine where students eat lunch within state guidelines.

The policies listed above come from concern for the safety of all stakeholders. The Diocese is grateful to pastors, school leaders, faculty, staff, advisory board members, parents, and students for their vigilance in embracing health and safety practices to protect others in the community. Only through care for our brothers and sisters in Christ during this pandemic are we able to continue to enjoy learning communities that *Evangelize Hearts, Educate Minds, Encourage Talent, and Embrace the Future.*
