### Enrollment for the 2021-2022 School Year

Registration is now being accepted for currently enrolled students and new siblings. Please fill out the payment option form and send it to the school office. The form can be found on the school website under the admissions tab. The deadline for re-registration is January 14, 2021. In order to guarantee a spot for your child for the 2021-2022 school year, he/she must be re-registered by this date. The registration fee will increase to \$325 on January 16, 2021 and then \$375 on January 25, 2021. If you have any questions concerning re-enrollment, please contact Karen Keller at [kkeller@stalphonsusbr.org](mailto:kkeller@stalphonsusbr.org).

### Open House Reminder

Open House may look a little different this year, but we will still host tours on January 24, 2021 from 1:00-3:00. The tours will be in small, socially distanced groups. If you know someone interested in coming to St. Alphonsus School for the 2021-2022 school year, please have them email Dr. Ryals at [cryals@stalphonsusbr.org](mailto:cryals@stalphonsusbr.org) and she can set up a time for a tour. Please share the good news of what St. Alphonsus School has to offer. More details to come soon.

### Upcoming Events

## Central's Toy Box

The 2020 toy drive was a success. Central's Toy Box sent a beautiful thank you letter to St. Alphonsus students to thank them for their amazing participation. Your generosity to this great campaign helped many children have a blessed Christmas!

## Counseling Corner

Happy New Year! I hope everyone had a great Christmas and enjoyed some special family time during the break. I am looking forward to the remainder of the school year and have some great lessons planned for each grades' guidance classes! I am also very excited to start visiting the Kindergarteners once a month and introduce them to guidance class. For 1st - 5th grade, our topics for the remainder of the year will focus on goal setting, self-awareness, social awareness skills, self-management skills, responsible decision making, careers, and transitioning. As for middle school, our classes will continue focusing on overall well-being and social-emotional development. We will also discuss topics related to relationships, careers, and transitioning to high school. If you have questions or would like information on your student's guidance lesson, please do not hesitate to email me. Lastly, just a friendly reminder about the online referral form if you think your student would benefit from meeting with me for individual counseling.
