SAS Summer Camp News

We know that many of you are making plans for child care this summer. As of today, we are still unsure if St. Alphonsus will be able to host our summer camp in the usual manner. Field trips and fun activities are integral to our daily summer camp routine. Many of the venues we utilize are not certain they would be able to safely host a large group by June and July. We are investigating other options such as academic, art, and sports type camp days. We will report that information to you as it becomes available. We appreciate your support for our summer camp over the last few years. It's been a fun time for our students. We hope to have a decision on any possible camp days by next Friday.

Counseling Corner

In addition to this week being Catholic Schools Week, it is also National School Counseling Week. With this being my first year as a school counselor and my first time celebrating this week, I reflected on the past six months and how special this time has been for me. First off, I want to thank all of the staff, teachers, students, and families at St. Alphonsus for welcoming me with open arms and allowing me to become a part of this wonderful school family. I truly feel right at home here! Next, thank you all for trusting me during this challenging, uncertain, vulnerable, and scary 2020/21 year. Most importantly, thank you for letting me be a part of your child's life and watching them grow, learn and achieve new things. It is because of the students that I get to celebrate this week and do what I love every day. Thanks to all of you, I will be able to say that I survived both my first pandemic and first year as a school counselor! Ms. Bueche
