SAS Summer Camp News

We know that many of you are making plans for child care this summer. As of today, we are still unsure if St. Alphonsus will be able to host our summer camp in the usual manner. Field trips and fun activities are integral to our daily summer camp routine. Many of the venues we utilize are not certain they would be able to safely host a large group by June and July. We are investigating other options such as academic, art, and sports type camp days. We will report that information to you as it becomes available. We appreciate your support for our summer camp over the last few years. It's been a fun time for our students. We hope to have a decision on any possible camp days by next Friday.

Volleyball Registration

Volleyball registration for girls in 6th-8th grade is now open. The registration fee is \$75 and the deadline to register is Thursday, February 25th. In order for your daughter to play volleyball, the school must have an updated physical.
