Those who have not signed up yet but would still like to attend are welcome to attend the first meeting. If you have not already registered your child please send an email with child and parent name along with phone number and current grade at SAS to [jennibreau@att.net](mailto:jennibreau@att.net). Also, you must send in signed permission to the office for your child to be allowed to stay after school on club meeting days.

## **Counseling Corner**

This past week in guidance lessons, first and fifth grade talked about what it means to be, and have, a good friend. In first grade, we discussed what a good friend looks and acts like, and each class signed a Friendship Rainbow as an agreement to always try to be a good friend to one another. In fifth grade, we analyzed how we treat one another. Do we treat people like winners, losers, or neutral? And how would we rather be treated? It was hopefully an eye opening experience!
