### Teams for Texas Success!

Thank you for your generosity. Our special dress day for Texas flood victims was a great success. We appreciate your support to help them during this time of need. We are also going to mail some cards and letters to our Catholic school friends in Texas. ## Hornet Fun Run

It's almost kick off time. No, not football. The **St. Alphonsus Annual Hornet Run Kick Off** will be Tuesday, September 19. This will be the 6<sup>th</sup> year for the Hornet Run. Our Hornet Run is the only fund raiser held by the school. **100%** of all funds collected remain at St. Alphonsus and helps keep the cost of tuition down. Your participation is critical!

Each year the Hornet Run grows and continues to succeed due to our families and students. It is truly a community effort and we thank you, our families, for your continued support.

Just like previous years, we will continue with 5 weekly turn in dates leading up to the Hornet Run on Thursday, October 26. Weekly prizes will be given to students turning in donations. Prizes will be awarded at the end of the program.

All information will be in the packet coming home next week with your child. Once again, we thank everyone for their support of St. Alphonsus School. *Geaux Hornets!*

## Counseling Corner

This past week in guidance lessons, first, third, and fifth grade reviewed tattling versus telling/reporting. In all classes, it is reiterated that tattling is simply wanting to get someone INTO trouble, and telling, or reporting, is wanting to help get someone OUT of trouble. Second and fifth grade students talked about many various scenarios and decided if it would be considered tattling or telling. First grade watched the video "Don't Squeal unless it's a Big Deal" and then also learned how to incorporate only telling into their daily lives. I hope this lesson continues at home!
