Counseling Corner

This past week in guidance lessons, first and third grade discussed what being a good friend looks, sounds, and feels like. First grade classes both signed a "Friendship rainbow" as an agreement to always treat everyone like a friend. Third grade designed friendship shirts and wrote an acrostic poem about what it means to be a friend. In fifth grade, we examined how people judge others based on stereotypes and why that is harmful. We also performed an activity in which the students got to see how it feels to be labeled as either a "winner," "loser," or "neutral."

Cafeteria News

Did you know that every time your child eats in the cafeteria their name gets entered into a drawing for a basket filled with goodies? Congratulations to Julianna Broussard in 6th grade for winning the September basket. Every month students will have a chance to win a basket.
