# Junior & Junior Varsity Cheerleading Squads Info Packet

Dear Parents and Cheerleaders:

Thank you for showing interest in our cheerleading squad at SAS. We are excited about next year and look forward to having a fun and successful season. Being a cheerleader is both an honor and a privilege. As representatives of our school, our squads exist to promote wholesome, enthusiastic school spirit and good sportsmanship. Because of these responsibilities, all cheerleaders are expected to uphold a higher standard of behavior both on and off campus, as well as strive for academic excellence.

- \* The JUNIOR squad is open to students entering the 3rd grade in the 2023-2024 school year.
- \* The JV squad is open to students entering the 4th and 5th grades in the 2023-2024 school year.
  - o **Girls going into 5<sup>th</sup> grade will try out to introduce them to that experience as well as determine squad captain.** Additional information will be discussed at parent meeting.

Further squad information for your daughter's specific squad will be sent out following registration.

Many long hours will be required for practice, cheering at football and basketball games, pep rallies, and various school activities. Please remember academics come first, then cheerleading for St. Alphonsus School. Missing multiple practices and/or games for other cheer squads, dance, sports, etc. will result in demerits and affect the cheerleader's role on the squad. If currently a member of or intend to join a competition squad whose practices and/or competition dates conflict with the SAS cheerleading schedule, the student should reconsider signing up for the SAS squad.

The following pages of the packet contain information that needs to be reviewed. This includes financial details, cheer year timeline, cheerleader expectations, and the registration form.

To register your daughter for SAS cheer, please complete and return the registration form to the school office (attn: Morgan Bueche) by Monday, April 10th. The \$95 registration fee must be paid via FACTS and is also due by Monday, April 10th.

**\*\*\*Students must be registered for the 2023-2024 school year and all financial payments must be met\*\*\***

Thanks,
