Living Way of the Cross

Our 8th grade students did a beautiful job presenting the Living Way of the Cross. Their thoughtful and prayerful depiction of the Stations of the Cross was both moving and inspiring.

Sincere thanks to Lori Tomecek, Kelli Hill, Sarah Love, Chip Lovett, Dale Hodges, and all who helped bring this meaningful presentation to life. Your time, effort, and dedication are truly appreciated. Wishing everyone a joyful and blessed Easter!

The St. Alphonse Drama Club will be performing *The Reluctant Dragon* for our annual Dinner Theater on Thursday, April 16th at 6:30 p.m. in the gym. We will be serving jambalaya, white beans, and coleslaw. Admission is \$10. Click [HERE](#) to purchase tickets, or tickets will be sold at the door. Counselor's CORNER

April 2026

Ms. Morgan Bueche

A Note from Ms. Morgan

It's hard to believe that Easter break is already here and that there is only a little over a month left of school. The countdown to summer is on!

We are making the most of our last few guidance classes of the year! This is the first year guidance has been taught in our pre-k classes, and I am so glad we decided to start it. In both PK3 and PK4, we have continued learning about the "Spot of Emotions" and focused on our "Anger Spot." We talked about how our bodies feel when we are angry and practiced ways to calm ourselves when experiencing this big emotion. Our kindergarteners have been learning the difference between tattling and telling while making sure not to get a "tattle tongue."

In first grade, we have been focusing on self-control and practicing those skills through games and group activities. Our second graders have been exploring what it means to be a good friend and discussing important friendship qualities. Third graders requested brain puzzles for guidance class, so we exercised our brains while strengthening executive functioning skills. In fourth grade, we had fun learning about peer pressure by playing Jeopardy—the class versus Ms. Morgan—and they won!

Fifth grade completed an activity focused on empathy and sharing positive affirmations with others. This is one of my favorite guidance activities! In middle school, we recently wrapped up our bullying prevention lesson. Up next, we will be focusing on coping skills and ways to support mental health.

I hope everyone has a happy Easter and a wonderful break!

Happy Healthy Hornet Tip!

As the countdown to summer begins, many children may feel extra tired, emotional, and less focused than usual.

Keeping routines consistent, encouraging rest, and praising effort can help support both their well-being and motivation. A little extra patience, positive encouragement, and gentle reminders can go a long way in helping children stay focused and finish the year strong!
