Counselor's CORNER

May 2026

Ms. Morgan Bueche

A Note from Ms. Morgan

We blinked, and the end of the school year is already here! As I wrap up my sixth year as the school counselor, I've been thinking about what a blessing this school family has been to me. Getting to spend each school day with your child is something I truly cherish, so thank you for allowing me to be a small part of their story.

One of the best parts of my job is getting to watch students grow throughout the year. I am always so proud when I see them using the skills we talk about in guidance class or in my office while working through friendship conflicts or situations that bring up big emotions. I also know how much courage it takes to walk into my office and talk about things that may feel heavy on their hearts, no matter how big or small. I feel so honored that my students trust me and feel comfortable coming to me with their struggles. I hope to always be a safe place for them at school.

I am already looking forward to next school year and all of the exciting things happening at our school. I hope all of our Hornet families have a wonderful summer filled with quality family time, special memories, and hopefully a little relaxation for the parents, too. See all of you in August!

Happy Healthy Hornet Tip!

Summer changes in routine can be exciting for children, but maintaining a balance of structure, rest, fun, and connection is important for positive mental health. Keeping consistent sleep schedules, encouraging outdoor play and physical activity, limiting excessive screen time, and making time for family conversations can help children feel emotionally supported and secure. Regularly checking in about feelings, friendships, worries, and daily experiences also encourages open communication and reminds children they have trusted adults who are there to listen, support, and encourage them.
