

Junior Cheerleading Squad

Information Packet

Dear Cheerleaders and Parents,

Thank you for your interest in St. Alphonsus Cheerleading! We are excited about the upcoming year and look forward to a fun and successful season. Being a cheerleader is both an honor and a privilege. As representatives of our school, all squads are committed to promoting positive school spirit, enthusiasm, and good sportsmanship. With this responsibility comes the expectation that each cheerleader will uphold high standards of behavior both on and off campus, while also striving for academic excellence.

The Junior Squad is open to students entering 3rd and 4th grades for the 2026–2027 school year. *Additional information specific to your squad will be shared following registration.*

Cheerleading requires a significant time commitment, including practices, football and basketball games, pep rallies, and other school events. Please remember that academics are the top priority at St. Alphonsus School, followed by cheerleading commitments. Missing multiple practices and/or games due to participation in other cheer squads, dance, sports, or activities may result in demerits and could impact a cheerleader's role on the squad. If you are currently a member of—or plans to join—a competition squad with practices or events that conflict with the SAS cheer schedule, we encourage you to carefully consider this commitment before registering.

The following pages of this packet contain important information that should be reviewed prior to registration and commitment to SAS Cheer. This includes cheerleader expectations, financial details, and the cheer season timeline.

To register your daughter for SAS cheer, please complete the online registration form located on the school website under **Athletics** → **Cheer** → **Junior Cheer Registration**, by **Friday, April 17th**. The \$95 registration fee must be paid via FACTS and is also due by **Friday, April 17th**.

We look forward to a wonderful year ahead!

Thank you,
Morgan Bueche
Cheer Director/Coach
