Protect Young Eyes

The Protect Young Eyes team recently visited us. It was a powerful and engaging time of learning.

If you missed the live talk, Chris (founder) has provided a 7-minute, shortened but jam-packed version. [You can find it here](#), inside of PYE's own, private community called The Table.

Don't hesitate to visit PYE anytime for answers to all of your digital questions! We're pleased to partner with Chris and his team on these critical issues.
