FRUITS OF THE SPIRIT PRAYER

Dear Holy Spirit,
 Thank You for living in my heart.
 Help me grow Your beautiful fruits:

- Love - so I care for others
- Joy - so I smile even when life is hard
- Peace - so I stay calm and trust in You
- Patience - so I don't get upset
- Kindness - so I treat everyone like a friend
- Goodness - so I choose to do what's right
- Faithfulness - so I always follow You
- Gentleness - so I use soft words
- Self-control - so I make good choices

Help me be more like Jesus every day. Mary, Mother of God, pray for me. All you holy angels and saints, pray for me too. Amen.

Counselor's CORNER

April 2026

Ms. Morgan Bueche

A Note from Ms. Morgan

It's hard to believe there is only a little over a month left of school. These final weeks of the school year are always busy! As schedules continue to fill up, I hope your family can find time to slow down, enjoy one another, and make special memories together.

We are making the most of our last few guidance classes of the year! This is the first year guidance has been taught in our pre-k classes, and I am so glad we decided to start it. In both PK3 and PK4, we have continued learning about the "Spot of Emotions" and focused on our "Anger Spot." We talked about how our bodies feel when we are angry and practiced ways to calm ourselves when experiencing this big emotion. Our kindergarteners have been learning the difference between tattling and telling while making sure not to get a "tattle tongue."

In first grade, we have been focusing on self-control and practicing those skills through games and group activities. Our second graders have been exploring what it means to be a good friend and discussing important friendship qualities. Third graders requested brain puzzles for guidance class, so we exercised our brains while strengthening executive functioning skills. In fourth grade, we had fun learning about peer pressure by playing Jeopardy—the class versus Ms. Morgan—and they won!

Fifth grade completed an activity focused on empathy and sharing positive affirmations with others. This is one of my favorite guidance activities! In middle school, we recently wrapped up our bullying prevention lesson. Up next, we will be focusing on coping skills and ways to support mental health.

Happy Healthy Hornet Tip!

Testing season can bring big feelings for students, so extra encouragement can go a long way! A good night's sleep, a healthy breakfast, and a calm morning routine can help children feel prepared and confident. Remind your child to take deep breaths, stay positive, and simply do their best. With support and reassurance, students can feel calm, focused, and ready to shine!
